

Consultants Alliance Firm

About Us

Consultants Alliance Firm is specialized in:

- Business consultancy.
- Business introduction and promotion.
- Business development and commercial advisory.
- Financial advisory.
- Strategy formulation.
- Business valuation and feasibility studies.
- Tax specialists & planners.
- Audit and accountancy.
- Special training.

The senior partners of CAF have extensive experience over 2 decades and have held executive positions in Libyan businesses both inside and outside Libya in different branches of:

- Oil & gas industries sectors.
- Other Energy sectors.
- Financial sectors.
- Taxation.
- Auditing and Accounting.

Honesty, commitment, dedication and integrity combined with the highest professional and personal standards form the cornerstone the activities of our firm. A dedicated team of professionals specializing in different areas is the key to our success. CAF has a mission to establish a close contact with clients.

The clients are constantly kept abreast about the rapidly changing business environment through counseling, publications, circulars and memos all the year around.

Our tax experts in association with our legal experts make it possible for our firm to provide advices on the best way to establish businesses in Libya including company registration taking into consideration legal and tax issues.

We are also authorized to assist businesses in establishing their activities in the free zone area in **Misurata (MFZ)**. MFZ provides very attractive privileges for investors.

Association with highly qualified consultants inside & outside the country:

CAF also works with other consultants inside and outside Libya on case by case basis to carry out its activities in efficient way in order to insure proper and efficient services to its clients.
